**Additional Instructions:**

# For Partnerships or S Corporations with fiscal year ends, your 2017 tax return and transcript are also due to IGB if the original IRS due date has passed. \*

\* If your return has not been filed because it is on extension, please provide a copy of the extension.

\*\* In lieu of timely submitting IRS Transcripts, submit a copy of Form 4506-T along with an IRS Fax transmittal verification or certified mail receipt dated no later than one week after the date of your Renewal Notification Letter. Transcripts may then follow and be submitted upon receipt from the IRS.

\*\*\* License renewal month is reflected in your Renewal/Update Notification Letter. The due date is as specified in that Letter and supersedes the above date if different.

\*\*\*\* Net worth statements are required as of a year end, allowing 3 months for completion. Anyone contributing financing or operating funds to the Licensee should submit net worth information as of June 30th of the most recently ended year.

^ BE submissions referenced in this chart are NOT applicable for a BE that is also licensed as a Video Terminal Operator in Illinois.

^^ Submit year-to-date interim financial statements (balance sheet/income statement/cash flow/statement of equity) as of the month end noted above with your renewal materials.
