- 2) Petitions under this subsection (b) shall be in writing and shall include an original and one copy unless submitted by e-mail to an e-mail address designated for that purpose on the Board's website. Any petitioner under this Section shall bear the burden of proof by clear and convincing evidence. A petition shall contain the following:

Non-petitioning parties named in the petition must file a response within 21 days after their receipt of the petition. All responses shall be in writing and shall include an original and one copy unless submitted by e-mail to an e-mail address designated for that purpose on the Board's website.  - D) A signature of the licensee.
 - E) A verification of the licensee in the following form:

"The undersigned certifies that the statements set forth in this response are true and correct, except as to matters therein stated to be on information and belief, and as to such matters the

undersigned certifies that he or she verily believes the same to be true."

- F) A notarization.
- 4) The Administrator shall promptly provide a petitioning party with complete copies of all submitted responses meeting the requirements of subsection (c)(2).
 - 5) Before rendering a recommended decision, the Administrator may require the parties to attend a conference to attempt to settle any dispute under this subsection (b)(5).
 - 6) Administrator's Recommended Decision

 - B) The Administrator's recommended decision shall set forth the reasons the Administrator is recommending the granting or denial of the petition. When the petition asserts more than one claim as to the validity or enforceability of the agreement, or a portion of the agreement, the Administrator shall separately decide each claim.
 - C) Copies of the Administrator's recommended decision shall be served on each party by personal delivery, certified mail or overnight express mail to the party's last known address, or e-mail provided pursuant to Section 1800.140 or subsection (b)(2)(A) of this Section.

The exception shall be filed with the Board no later than 14 days after receipt of the recommended decision. Exceptions shall specify each finding of fact and conclusion of law to which exception is taken. There shall be no oral argument on exceptions.
 - 8) Intervention

SUBTITLE D

- A) Upon timely written application prior to the Administrator issuing a recommendation, the Administrator may, in his or her discretion, permit any interested party to intervene in the petition process, if that party may be materially and adversely affected by a final order arising from the petition.
 - B) In exercising his or her discretion, the Administrator shall consider whether intervention will unduly delay or prejudice the adjudication of the rights of the original parties.
 - C) A petition for intervention must meet the same standards as an initial petition or response under subsection (b)(2) or (b)(3). It must also include sufficient facts for the Administrator to find that the intervening party may be materially and adversely affected by a final order arising from the petition.
 - D) Upon making a determination that a party may be permitted to intervene, the Administrator shall provide to the intervenor a copy of the original petition, as well as any responses. The Administrator shall also notify all other parties that the petition to intervene has been granted, and provide those parties with a copy of the petition to intervene.
- 9) Prior to the Board rendering a decision, the Administrator may require the parties to attend a conference to attempt to settle any dispute under this subsection (b).
- 10) Any relief given by the Board under this subsection (b) shall be limited to deciding which agreement, or portion of the agreement, is valid for the placement and operation of video gaming terminals in a licensed video gaming location. The Board has the express authority to order a licensed terminal operator to remove its Video Gaming Terminals from a licensed establishment if an agreement, or portion of the agreement, is invalidated. The Board shall not award monetary damages of any kind. Any failure by a party to abide by the Board's decision shall subject the licensee to discipline.
- 11) Ex Parte Communication Prohibited. No party or its representative shall make any communication directly or indirectly with the Administrator, employees, or members of the Illinois Gaming Board regarding a pending petition that imparts material information or makes a material argument, except upon notice to and opportunity for all parties to participate.
